WIG CARE INSTRUCTIONS

SYNTHETIC

The less you wash the wig the longer it will last you

Only wash when really necessary!!

WASHING

Cleanse wig in cool water and wash gently with Creative Shampoo

Rinse thoroughly with cool water

Gently blot excess water with a towel (do not wring or twist)

Spray Creative Leave in Conditioner for Synthetic Wigs into damp hair – Do not rinse out.

DRYING

Leave to air dry naturally

Do not dry wig on head or stand

DO NOT APPLY HEAT OF ANY KIND

No hair dryers, hot rollers, curling irons, ovens etc

Do not brush when wet
